STAFF REPORT

DATE: April 8, 2021

TO: Chair Weygandt, Commissioners Alpine, Bernasconi, Gustafson, Kahrl, Patterson, Rohan. Alternate Commissioners Holmes, Loman, Lynch, Starsky

FROM: Kris Berry, AICP, Executive Officer 

SUBJECT: Procedure for selection of Executive Officer

SUMMARY

The Placer County Human Resources Department in coordination with the Executive Officer Hiring Committee has completed the job announcement for the Executive Officer Position. A copy is attached. The opening is being advertised and the closing date for submitting an application for the position is May 7, 2021 at 5:00 p.m.

RECOMMENDED ACTION

Provide direction to staff on the various options for screening candidates for the Executive Officer Position and for the final interview and selection process. Although the decision on the final selection process can be deferred until the May meeting, it would be preferable to make a decision on the initial screening process since the application deadline is prior to the May meeting and we should begin the process as soon as all applications are received.

DISCUSSION

It is recommended the Commission consider the various options for screening applications for the Executive Officer position and completing the interview process for the final candidates. There are numerous options for this process and the options provided below are not meant to be exhaustive of the different possibilities.

INITIAL SCREENING PROCESS

We have included several options below provided to us by Human Resources for the initial screening process. We believe that Heidi Kernysky, Senior Human Resources Analyst with

County Human Resources will be present at our meeting to help discuss the options. A few of the available options that HR can provide are as follows:

1. HR can send all applications it receives to a committee of the Commission. HR does not recommend this option as it may be overwhelming for the Committee and it will likely receive some applications that are not qualified.
2. HR can forward all applications that meet the minimum qualifications as outlined in the classification specification to a committee of the Commission.
3. HR can send all applications that meet the minimum qualifications but divide them into ideal candidates and minimally qualified candidates.
4. Similar to option #3, HR can share all applications and divide them into batches of candidates who meet the minimum qualifications, ideal candidates, and candidates who do not appear qualified (in case the committee is interested in reviewing those).

Staff recommends the Commission consider option 3. In addition, we ask the Commission to provide direction on who should sit on the Committee and how many final applicants the Committee should select. This Committee could consist of technical experts such as other LAFCO Executive Officers, Planning Directors, Executive Officers or General Managers from other agencies or Legal Counsel. We do not know at this time how difficult it might be to recruit professional volunteers for this process. The other option is to appoint several LAFCO Commissioners and perhaps an individual from Human Resources and a few professionals as discussed above.

FINAL SELECTION PROCESS

After the initial screening process is complete, the Commission will need to decide on a final selection process. As noted above, this decision can be made at the May meeting if the Commission would prefer to think about the various options. One option would be for the Commission to appoint several Commissioners (less than a quorum of sitting members) and perhaps some previous Commissioners to select the final three candidates who will then be interviewed by the entire Commission.

Placer County is part of the Sacramento Area Council of Governments. The main government center of Placer County (located in Auburn) is well positioned 30 miles northeast of Sacramento, the State capital.

In addition to the incorporated cities, Placer County has 38 independent special districts subject to oversight by Placer LAFCO. Placer LAFCO is somewhat unique in that it has a large number of multi county districts which requires coordination with surrounding LAFCOs. As a part of these periodic sphere reviews, Placer LAFCO is required to oversee the preparation of geographically-based municipal services studies. Placer LAFCO has also been granted the authority to make special studies related to any local government issues.

Placer LAFCO is empowered to have a budget and expend funds. FROM: Kris Berry, AICP, Executive Officer 

SUBJECT: Status of Special District and City LAFCO Commissioners

SUMMARY

One regular and the Alternate position for the Special District Commissioners are currently in the election process. Recently, the City Selection Committee filled all of the Commission's city seats.

RECOMMENDED ACTION

It is recommended that the Commission receive and update on the Special District and City member seats.

DISCUSSION

Pursuant to §56325 of the Cortese Knox Hertzberg Local Government act of 2000 (CKH), Special District seats on the Commission are determined by election of each of the Special Districts. It has been the practice in this county to conduct these elections by mail primarily because obtaining a quorum, with the vast geography of the county, is extremely difficult.

A request for nominations was sent to all Special Districts on February 2, 2021, with a return date of March 16, 2021. A total of 5 candidates were nominated, and ballots were mailed on March 22, 2021 to each Special District. The deadline for return of these ballots is May 10, 2021. The results will be known prior to our May 12, 2021 Commission meeting.

The City Selection Committee, which is responsible for electing the City Commissioners met on March 31, 2021. The Committee appointed Krista Bernasconi from the City of Roseville as the regular member and Sean Loman from the City of Colfax as the alternate member. Joe Patterson, from the City of Rocklin maintains his current seat.

STAFF REPORT

DATE: April 8, 2021

TO: Chair Weygandt, Commissioners Alpine, Bernasconi, Gustafson, Kahrl, Patterson, Rohan. Alternate Commissioners Holmes, Loman, Lynch, Starsky

FROM: Kris Berry, AICP, Executive Officer

SUBJECT: Preliminary LAFCO Budget for fiscal year 2021-2022

RECOMMENDATION:

It is recommended that the Commission adopt the proposed budget for the fiscal year 2021-2022, attached as Exhibit "A", and to provide direction to staff as to revisions, if any, for incorporation into the final budget.

BACKGROUND

Pursuant to §56381 of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, the Commission is required to adopt a proposed budget by May 1st of each year, and a final budget by June 15th. Under AB 2838, the cost of LAFCO is a shared responsibility of the county, the cities and the special districts. After adoption of the budget, the net operating expense of the Commission is divided as follows: one-third to the County, one-third to the Cities and one-third to the Special Districts. The City share is apportioned in proportion to each City's total revenues. The Special District share is apportioned according to each district's revenues.

Certain costs are calculated by LAFCO staff based on upcoming needs and previous budgets. There are several budget categories, primarily personnel costs and county systems, that are calculated by the County. The remaining costs are estimates based on previous budgets and projected needs.

This budget has been prepared with the current personnel classifications in place, consisting of an Executive Officer and a Clerk.

This proposed budget will likely change based on comments and recommendations of the Commission and refinement of expenses occurred this year. Before adoption of the final Budget in June, there will likely be some "fine tuning" required.

A copy of the approved proposed budget has been forwarded to the County and each of the Cities and the Special Districts for their information and comment. The final budget must be adopted by June 15, 2020.

C. DISCUSSION

The matrix showing the proposed budget for fiscal year 2021-2022, along with the final budget for the current fiscal year, known expenditures through March 31st, and estimated expenses thru year end is attached. This proposed budget is based upon the following assumptions:

- 1) Lowered personnel costs, provided by the County, are anticipated due to current vacancy of the Clerk position, which was budgeted at a step one, with hiring anticipated at lower costs.
- 2) The proposed budget amount of \$60,000 for Municipal Service Reviews is an increase from previous years. This, along with initiation of several studies this year, should allow preparation of several Municipal Service Reviews.
- 3) The expected costs of all personnel, health care and benefit programs were calculated by the County.
- 4) In previous years, funding of reserves has built the reserve amount to \$37,200.00 for personnel costs, and \$120,000.00 for a general operating contingency. This year, with the retiring of the Executive Officer, there is an estimated payout of \$30,000 in accrued leaves, reducing the personnel reserves to \$7,200. A \$10,000 reserve contribution is included in the budget. There is also an existing reserve balance of \$110,00 for contingencies, leaving a total of \$127,000. This is also based on anticipated retirement by the Executive Officer in the current fiscal year.
- 5) The carryover from this year's budget is expected to be approximately \$121,953. Due largely from savings in personnel, travel and funding in Municipal Service Reviews. The amount that the contributing agencies pay for the budget is reduced by this amount.
- 6) The budget does include attendance at the Fall CALAFCO conference, Spring CALAFCO staff workshop and training courses for new staff. This obviously is subject to change based on status of the COVID situation.

A work plan for the upcoming year will be included in the Final budget for your review and input based on discussions occurring at this meeting.

SUMMARY

The budget was based on conservative estimates of revenues and expenditures, with adequate funding to ensure that the Commission be able to fulfill its statutory responsibilities in accordance with Government Code §56381 during the fiscal year.
